Choate and National Security League, spoke on the and then sending them away withou need for national preparedness at a giving them an opportunity to tell what luncheon and organization meeting of the they know were made in the Unite submit to a voluntary amputation of considered to be a nation where the New York State committee on national States District Court yesterday, where defence of the league, held in the dining hall of the Bankers Club's new quartrade being among the ters in the Equitable Building yesterday

lyn were among the many men of affairs who attended the luncheon as guests of Mr. Choate, the honorary president of the National Security League. Perhaps poverty stricken Serbia, or ing of resolution and the offer-

sould speak not only for himself and the rest of his Administration but for both houses of the State Legislature, president and an influential man in New regardless of politics, when he said that England. Judge Hall was exercised the State officials would always be about the Joy line in the cycle of letready to give all possible aid to the ters produced yesterday.

Choate Scores Unpreparedness.

Washington, also,

Organization Effected. President Menken of the league dwelt the summer season.

upon the need of going "to Washington to demand of the Federal Government that we are simply trying an experiment

replace the amount thereof by a new caused so much uneasiness and alarm tax which would be certain of collection in both countries of late years.

I believe the personal tax should be abolished, and if it is, considerable trouble would be avoided and many persons would maintain their permanent tain residences in this city who now maintain residences elsewhere for the purpose of avoiding this very tax.

Why not levy a special tax on all business rentals at the regular rate charged on real estate, say \$1.78 for and solution of this nature would insulate the lease, of all volve for her less loss of prestige.

To the Editon of The Sun—Sic: It is, a curious coincidence that now, also devote henceforth all its time and attention to Central and South America, it would enable the United States to devote henceforth all its time and attention to Central and South America, whose arrival a special committee on legislation was tention to Central and South America, "Old New Yorker" recounts in The Sun of November 3, a direct steamship line from China to the Atlantic coast of this form China to the Atlantic coast of this form China to the Atlantic coast of this seven.

It would confirm and consolidate as a special committee on legislation was tention to Appoint in the Chinese junk Keying. Whose a special committee on legislation was a sp

made the occasion of a commemorative celebration.

But this does not mean that our curiosity is dead. Quite the contrary. Let a Chinese junk poke her nose into this harbor and we would rival the men of 1847 in their rush to see one. Perhaps as teak ships are almost eternal, the Keying may make a return trip to this port and bear out my statement.

The superintendents of the states of the superintendents of the superintendents of the two distinctions are given full authority to call the superintendents of the superintendent

drinking. He said that Croton water tate the business of the division omes here in the highest state of pota-sales, bookkeeping, money order, savings sections and all funct Arrangements have been made for an financial administration are place provement in the distribution of water

to vessels in the harbor.

Becomes Vice-President of Queens Trust Company.

Department and as special deputy super- salary are involved. ntendent of banks, to become vice-president of the Queens County Trust Com-pany, with offices in Jamaica and Long Island City.
Mr. Quinn has been with the State

ruary of last year he was assigned to the District Attorney's office to assist in preparing the case against Henry Siegel United States to-day through preparing the case against Henry Sieger and Frank E. Vogel. In December last he was placed in charge of the Union Bank of Brooklyn, which had been in close on December 4 as liquidation since April, 1910, and has planned. held the post ten months.

SCORE GOVERNMENT

Treated.

Charges that the Government is hold Stanwood Menken, president of the ing witnesses at great expense to them eleven former directors of the New Ha ven are on trial on an accusation of con

spiracy. The name of Percy R. Todd, now president of the Bangor and Aroustook Railroad, at one time second vice-president of the New Haven in charge of traffic, was used by the defendants as an example of the practice. Mr. Todd went to the New Haven in 1901, remaining until 1906. He was supposed to be one of the witnesses who could fill up the gap between the time Charles 3. Mellen left the road in 1897 and the time he returned in 1903. He had been in the court every day for a week wait

ing to testify, but after that time had been told he could go home. F. S. Holbrook, vice-president of the Wells Fargo Express Company, but at officer of the New Haven from 1901 to 1908, was on the stand when the trouble

and is now preoccupying the most serious minds in America.

They would be very valuable to Japan, and I dare say more valuable than French Indo-China.

On the other hand, Great Britain on the other

Competition Too Strong.

"And," he added dryly, "it seems to me that we have made some impres-crush out the crush out the business of the Joy You know better than that, and ting this on we have only yielde the increasing demands of the pe

of Providence for cheap rates during

that it keep its pledge to protect the State of New York." The committee of cheap rates during the season to see then organized by electing Dr. David Jayne Hill, who was present, chairman. Arthur Curtiss James was then made chairman of a finance committee of seven.

Evelow Glynn's resolution to appear to the seven. This, of course, we at
